MOUNTAIN VIEW LUTHERAN
CHURCH & SCHOOL CAPITAL CAMPAIGN

you were
called to
freedom,
brothers...

DEAR FRIENDS IN CHRIST, God's chosen people here at Mountain View have been brought together **BY GOD'S WORK AND FOR HIS PURPOSES**, serving Las Vegas for over 60 years. Our Lord has adopted us in baptism, forgiven us through His Gifts, and enables us to live each day loving and discipling others. On this mission, we are moving **FORWARD IN FREEDOM** with a focus on God's words in Galatians 5:13:

For you were called to freedom, brothers. Only do not use your freedom as an opportunity for the flesh, but through love serve one another.

This three-year ministry journey will lead us as we use our God-given freedom in three powerful ways:

FREE to receive

God's gifts, promised in his word, and delivered through his church.

FREE to serve

in all our vocations, and in the thriving school ministry envisioned 30 years ago by our forerunners.

FREE to grow

in the Word, in faith, in our reach, and in the physical presence of our well-loved campus.

OUR INVITATION TO YOU IS TO MOVE FORWARD IN THE FREEDOM OF THE GOSPEL! God forgives and renews us with His Gifts in worship and sends us to share the Good News. As you do this in your homes and families, we do this together through a vibrant Christian school. We go forward, not to serve ourselves but that God would form us as His disciples – so that through prayer, devotional life and love and service to our community, the Good News of Jesus would be proclaimed on campus, in our city, and beyond!

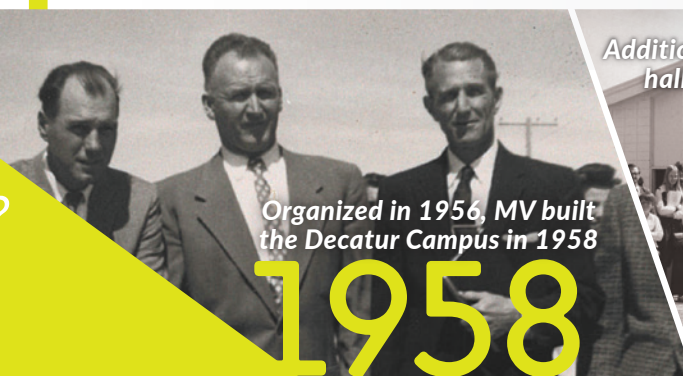

OUR PRAYER is that you will use your freedom to join in contributing prayerfully, financially and with your individual giftedness so that ever more people would receive God's Gifts.

For you were called to freedom, brothers. Only do not use your freedom as an opportunity for the flesh, but through love serve one another. – Gal. 5:13

The church is the place where God promises
to **deliver His gifts to His people.**

What a blessing to call Mountain View, home.

As stewards of this place, we desire to keep it functional, safe, and in good repair. Our first step is to replace a failing organ, that God may continue to be glorified through our praises and hymns during the 8 a.m. service. This will happen in tandem with resourcing our 10:30 worship planning with additional hours for our praise band leader.

free to **SERVE** . A Mission Within Our Doors

We serve continually. In our homes, our workplaces, our congregation, our community...

OVER THIRTY YEARS AGO, Mountain View developed a vision to serve through school ministry.

Years of preparation brought us to where we are now; a campus in the North West, students from Pre-K through fifth grade, and a realized vision of our faithful forerunners.

We are ready for more!

More children. More disciples. More classrooms. More functionality. More security. More preparation for the next generation of leaders at Mountain View...

Our faculty and administrators are fantastic. Our reputation has soared as one of academic excellence. We've achieved the hard-earned goal of accreditation. **But increased competition from charter schools, typical wear on the building, and the aspiration for greater educational opportunities call for improvements, repairs and expansion.** How blessed we are that the faithful servants who built this campus **SET US UP FOR JUST THAT.**

- Larger elementary classrooms for modern educational approach, new furniture and technology
- Replace gym floor, add skylight, replace stage with new art room/after care space
- Cosmetic updates to the preschool areas including new furniture
- Science lab and media center in the basement, bringing our infrastructure and methods up to date

free to GROW *. In faith, in wisdom and in stature.*

With Associate Pastor Brad Wellik on board, we desire to **engage our MVLCS community in the Rooted small group ministry**, encouraging regular devotional rhythms, prayer life and use of our God-given gifts throughout our many vocations. We want **a place for connections in our congregation and community to flourish in and through God's Word.**

The remaining half
of the basement
will be dedicated to :

- Small group meeting space
- A lounge for building community
- Dedicated Bible study space
- A new youth ministry area

THE BALCONY will become a large meeting, study and fellowship space for groups of 50-125.

Our patchwork of **INTERNET CONNECTIONS** will be replaced for efficiency dependability.

Our failing **HVAC SYSTEM** in the school and offices will be replaced with individual heating and cooling units, ensuring our school campus can continue to function even amidst future damages and repairs.

After checking out many schools, MVLS just felt 'right.'

IT HAS BEEN SAID BY MANY THAT THE CHILDREN ARE THE FUTURE OF THE CHURCH. MOUNTAIN VIEW LUTHERAN SCHOOL DISAGREES.

Our students are the present of the church.

We owe it to them now to fully prepare them for a world that needs to hear and see the message of God's love for all.

That preparation requires improved facilities and increased opportunities to fully realize the simple focus of our school: **Glorify God; Nurture Students; and Serve Community.**

It's a simple focus driving all we do as we boldly move forward with strength and courage.

I invite you to walk with us in this mission - join us at our events, stop in and see our classes in action, sit in on a chapel service, see how we live the Gospel in the lives of our students, families and community - and be a part of the great things God is doing through Mountain View Lutheran School.

How your gift CAN IMPACT OUR GOAL

Now to Him who is able to do immeasurably more than we can ask or imagine... -Ephesians 3:20-21

This pyramid shows a breakdown of the various three-year sacrificial gifts that would enable us to reach our financial goal for moving Forward in Faith. Please prayerfully engage in the spiritual decision making process that will lead to a financial commitment for this campaign. Biblically, we are not called to give equal gifts, but rather equal sacrifice. Each of us will be asked to make a gift, above and beyond our regular giving, that is meaningful in proportion to the wealth God has entrusted to us. **Together, we will continue in this ministry for generations to come, reaching out to our community and world!**
